

How do I find a dentist?

www.fclidental.com, click on “Find a Dentist”, enter location, select “CommuniCare Advantage”, enter dentist name and/or practice name, or select a specialty, or call FCL Dental Customer Service at 866-791-5550.

Do all CommuniCare Advantage dental products have a member cost share?

There is no member cost share up to the benefit limit of \$2,500 for covered benefits. Any amount that exceeds the \$2,500 maximum may result in a member cost share.

Does the member have to select a primary dentist?

FCL Dental **does not** require the member to select a primary dentist. CommuniCare Advantage members can see any dentist that is a CommuniCare Advantage dental network provider regardless of the specialty.

Can CommuniCare Advantage members receive treatment from an out-of-network dentist?

CommuniCare Advantage members must receive treatment only from **in-network dental Providers** listed on the FCL Dental website linked to the CommuniCare Advantage Health Plan network.

When calling a dentist’s office, ask if they accept any of these networks:

- FCL Medicare Dental Network
- DenteMax Medicare Network
- Connection Dental Medicare Network

Does the member need a referral to receive treatment from a specialist dentist?

FCL Dental **does not** require the member to get a referral to see a specialist. CommuniCare Advantage members can see any dentist that is a CommuniCare Advantage dental network provider regardless of the specialty.
